*Hebert's Specialty Meats*

Hebert's (pronounced *A Bears*), home of the original deboned stuffed poultry, is owned and operated by true Cajuns. Our Cajun market has developed unique seasonings, marinades, stuffing's, and cooking processes to produce wonderfully delicious products. We have all the Cajun Favorites - Turducken, Andouille, Etouffee, Crawfish Pie, plus the finest in beef, pork and poultry.

Hebert's starts with a selection of the finest products available. The timely combination of cooking and seasoning creates the authentic Cajun flavor, which until now, was found only in South Louisiana. Our goal is to provide our customers with a consistent, high quality product and a true Cajun flavor. Hebert's has been in business since 1985, with the original store in Maurice, Louisiana (just south of Lafayette).

After just one taste you will understand

*"Un bon diner cajun excite l'esprit tandis qu'il adouci le couer"*

*"A good Cajun dinner excites the spirit as it warms the heart"*
